

Accessory Pattern Cutting

The **Anthony Vrahimis Design Consultancy** has built up an excellent reputation for providing precisely handcrafted, quality leather products. Our team is comprised of highly experienced design experts, who can offer invaluable insights into current industry methods and best working practices.

With so much combined knowledge, we understand that practical experience is the key to success in this industry. Therefore, we have developed a range of short courses, suitable for all levels ranging from beginners to industry professionals. Based in our specialist studio in North London, you will benefit from an environment that we believe is essential in mastering the skills you need.

Accessory Pattern Cutting Course

Designed for those who wish to learn and develop their pattern cutting skills. This is a basic to advanced course looking into concepts based on the four constructions.

- Cutting of basic shapes, duplication and seam allowance.
- Exploration of combinations based on all four constructions.
- Understand the use of darts and pleats.
- In depth experimentation will be developed with closures, handles, zips and linings.
- Development of final 3D mock-ups.
